

BFC Soccer Club

Looking for a fun, quality soccer program for your 5—8 year old?

TOTAL DEVELOPMENT PROGRAM

What to look for in a youth developmental program

When searching for a developmental program for your player, one of the most critical components is finding an organization with a sound philosophy for developing technical and tactical skills that are age appropriate. It is also important to find a coaching staff that has the knowledge and expertise to work with the younger player. An appropriate training program that places your player in a training environment that ensures fun and proper fundamental development is also very important.

Our Youth Program

The **BFC JUNIORS—Total Development Program** is designed to give your child the opportunity to build a solid foundation in technical development in the pre-travel and travel soccer years. **BFC JUNIORS** program serves as an introductory and advanced path for pre-select aged soccer players. This design facilitates developmental progression recommended by the United States Soccer Federation as well as the US Youth Soccer Association. The uniqueness of our program is that we have devised an **In-House, non-travel program** for ages U6—U8 as well as our youth **Academy program** for U7—U8 who travel locally for an additional 6 matches in the immediate metro east area and play in accordance to Southern Illinois Soccer League (SISL) rules. In addition to our awesome outdoor sessions **BFC JUNIORS'** includes an Indoor soccer league at the Belleville Family Sportsplex (FSP). We are committed to providing a challenging yet rewarding experience for your youth soccer players.

Is it for you?

BFC JUNIORS is recommended for all girls and boys, ages 5—8, who have the desire to play select soccer and learn from experienced and licensed coaches. There are **no tryouts** for our **BFC JUNIORS In-House U6—U8** program. Registration is all that is required. The **Academy U7-U8** program is based on space availability, previous select experience, and recommendation by BFC Staff.
