

BFC Staff, Coaches, Families & Players,

Good afternoon! We hope you all had a happy and safe Thanksgiving holiday weekend and to provide the Club a quick introduction. My name is Chris Cesa and my family and I return to Southern Illinois from Southern California working at one of the leading premier soccer clubs in the United States ~ Albion SC, San Diego, CA (www.albionsoccer.org). BFC has hired me as the Club Technical Director. I grew up in New Jersey and have been a player, coach, and trainer for over 20 years and have distinguished myself as an enthusiastic and cutting-edge soccer coach as well as a visionary for competitive youth soccer programs at all levels! I am Nationally certified by the US Soccer Federation (USSF) and National Soccer Coaches Association of America (NSCAA).

I will take the lead as the single resource on the technical direction of the entire Club working hand-in-hand with the Club Director, Drew Crawford. My Technical Director role will be to provide a systematic, progressive club-wide approach that will create the best possible environment for optimum development of our young soccer players ages U4 through U19; Additionally, playing a dynamic and creative-leading role in the implementation of the strategic plan for BFC to become a nationally recognized premier soccer club as well as professional affiliations nationally and internationally. Ultimately, my responsibilities for the next few years will be to provide the needed guidance and vision to professionalize, standardize, coach at multi-ages, and elevate BFC as a whole to the next level.

Lastly, my family and I are excited to be a part of BFC and look forward to meeting and working with you all over the years to come. Please let me know if you need anything or have questions

—

p.s. Keep up-to-date on our Website: www.bfcsoccer.org.

Best Regards,
Chris

Chris Cesa

Technical Director

BFC Soccer Club

Belleville, Southern IL
